

# SPK-A001

## Dual moving coil speaker

SPK-A001 contains a 6mm treble speaker units and a 10mm base unit. With dual speaker units combined into a single, it provides a better frequency response and smaller space is needed. SPK-A001 is suitable for Hi-Fi grade or DIY earphone.

### Membrane material:

6mm unit: PU+PEEK double layer

10mm unit: PU+fibre paper

### Resistance:

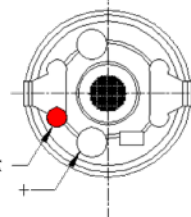

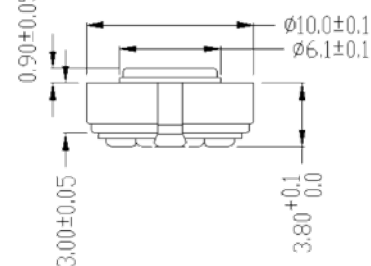

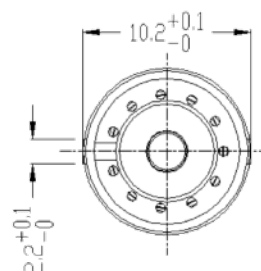

6mm unit: 16ohm

10mm unit: 32ohm

Frequency response: 20-20KHz

Distortion: <3%@1kHz

Testing method: IEC711

Polarity Mark
